**THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL**

#### 2.6.2. Attainment of POs and COs are evaluated.

As a Gauhati University affiliated college, while evaluating the attainment of Pos, PSOs and COs, the guidelines, courses and curriculum framed by the University, for UG courses are followed. The following processes and practices are adopted to assess the attainment of the programme and Course outcomes.

- Class test.
- Sessional examination.
- End- semester examination.
- Group discussion.
- Quiz
- Assignment.
- Seminar presentation.
- Project work.
- Practical and laboratory works.

The performance of the students in class test, sessional and end-semester examination help to evaluate the learning outcomes and attainment. Assignment, Seminars, quizzes, group discussions, project work, practical and laboratory work etc. also give an insight into the learning level and attainment of the students.

The performance of the students is assessed and analyzed on the basis of sessional and end-semester examinations. The teachers and mentors work tirelessly to ensure the attainment of Pos, PSOs and COS among the advanced and slow learners. Regular feedback is taken from students to learn about their overall experiences and accomplishments at the institution. Feedback is collected from other stakeholders too and the result of the final examinations are analyzed to evaluate the attainment of outcomes.
